A. To participate in extracurricular activities, a student must satisfy the following requirements:

1) At the end of each marking period 1, 2, and 3:

- a. maintain a minimum grade point average of 4.0 (C-) in each marking period;
- b. earn not more than 1 failing grade (F); and
- c. be a good school citizen and a worthy representative of Enfield Secondary Schools. Accumulated school discipline, poor attendance, or other evidence of poor citizenship will, as determined by the building principal, render a student ineligible.

2) At the end of the school year (Fall Eligibility):

- a. maintain a minimum grade point average of 4.0 (C-) in all final grades (including Semester 1 courses, Semester 2 courses, and full year courses) in the previous school year;
- b. earn a minimum of 4.5 credits in the previous school year; and
- c. be a good school citizen and a worthy representative of Enfield Secondary Schools. Accumulated school discipline, poor attendance, or other evidence of poor citizenship will, as determined by the building principal, render a student ineligible.

B. The Superintendent of Schools shall be authorized to define and categorize extracurricular activities relative to this policy. The list of extracurricular activities affected by this policy shall be published in the student handbook.

Special Education Students:

Special education students will be subject to the general policy regarding participation in extracurricular activities, unless extenuating circumstances are in evidence which might exclude such students from the grading policy as determined by the P.P. T.

It is expected that the P.P.T will anticipate "exceptions" to Board policy as early in the program planning stage as may be feasible.
